

## **Escena Community Association**

### **Report to Community August 25, 2025**

#### **Aria at Escena**

Toll Brothers has rights to build on tracts west of Grandview and north and south of the Dog Park. They have branded this area as 'Aria at Escena'.

They will be seeking approval from the Palm Springs Planning Commission on September 9, 2025, for their architectural and landscape plans. They have asked the Escena Community Association to provide a support letter for their plans.

The Board of Directors will consider whether or not to provide a support letter and will also consider comments on the plans that Toll Brothers has submitted.

The plans have been reviewed by the Design Review Committee and the Landscape Committee.

In full disclosure to the community, the Board is attaching the floor plans for Aria at Escena to this Report to the Community.
